

B-Lay Tong Phuket

Prime beachfront location at the quiet north end of the world famous Patong Beach within close proximity of the busiest eateries, shops and bars. The resort's 123 rooms and suites have a feel which exudes modern playfulness and funky vibes mixed with Four Elements colors scheme. It offers spectacular sunset views from its 198 lobby bar which overlooks the white sandy beach and sparkling turquoise waters of the Andaman Sea. In addition, free Wi-Fi Internet access is provided throughout the resort's guest rooms and public areas, just 40 minutes south of Phuket International Airport.

Every room at the B-Lay Tong Phuket has been designed and decorated in the four dominants: **Red - fire**, **Blue - water**, **Green - earth** and **Gold - wind**. The art of Four Elements aim to create harmony between the different elements within a space, in order to promote health, well-being and prosperity for all of its occupants.
